

Mathematics in Education and Industry

Innovators in Mathematics Education

MEI is a charity, committed to improving mathematics education for all. It is at the forefront of curriculum development and runs the national Further Mathematics Support Programme. MEI is a major provider of CPD for mathematics teachers.

The following full-time posts are available from April/May 2012.

Key Stage 4 Mathematics Extension/Enrichment Coordinator

This will involve developing teaching materials and designing and delivering CPD courses to support the extension/enrichment of Key Stage 4 Mathematics.

Closing date 6 February 2012, interview date 20 February 2012

Support Manager: Further Mathematics Support Programme

The FMSP extends opportunities for students' to study for Further Mathematics AS/A level qualifications, provides CPD and support for teachers of Further Mathematics and promotes the study of mathematics beyond GCSE. This is a national position in the management of the FMSP.

Closing date 6 February 2012, interview date 24 February 2012

MEI CPD: TAM Deputy Coordinator

This will involve coordinating and delivering CPD on the 'Teaching Advanced Mathematics' course.

Closing date 6 February 2012, interview date 27 February 2012

All posts are offered initially from April/May 2012 until 31 August 2013.

Salaries will be at a competitive rate, depending on skills and experience.

The posts are home based from anywhere in England, but will involve frequent travel.

Applicants should have the following skills and qualities:

- A passion for mathematics and an enthusiasm for passing this on
- A successful track record of teaching mathematics
- Excellent communication and presentation skills
- Self-motivation and the ability to meet deadlines
- The ability to think creatively and recognise opportunities
- The ability to inspire others

These posts are subject to CRB disclosure.
