The FMSP Wales is managed by www.wimcs.ac.uk **in partnership with** MEI Innovators in Mathematics Education **and funded by** Llywodraeth Cymru Welsh Government

www.furthermaths.org.uk/wales.php

Main Duties include:

1. Gain a detailed knowledge of the provision for Further Mathematics in the FMSP area.
2. Develop working relationships with the Mathematics Departments in the local schools and colleges, and promote the benefits of studying Further Mathematics to schools, students and parents.
3. Work closely with schools and colleges to help them to introduce or reintroduce Further Mathematics.
4. Liaise with other appropriate local agencies, e.g. 14-19 Learning Network Coordinators, LEA Maths Advisory staff, STEMNET, etc.
5. Promote the services of the Further Mathematics Support Programme to schools and colleges, students and parents in the FMSP area. Publicise regional activities through newsletters, attend at local events and liaise with local media in the FMSP area.
6. Plan, organise and deliver revision sessions online and face-to-face for AS/A-level Further Mathematics qualifications.
7. Plan, organise and assist in delivery enrichment events at local schools and colleges for KS4 and post-16.
8. Plan, organise and deliver face-to-face and online tuition to students from local schools and colleges.
9. Provide regular reports to the Programme Leader of the FMSP Wales and the Management Committee.
10. Work closely with the FMSP Wales Programme Leader and the admin team on all appropriate aspects of the FMSP Wales.
